

Animate+SC

Product Description

Animate+SC provides a storage-centric approach to worksetting configurations, combining the table-based features of Animate+ with planning approaches that effectively integrate storage flexibility. It's space efficiency for a fully sit-to-stand workplace.

Features

- cabinets provide storage and can support Privacy Screens
- fully independent, synchronized legs enable variable mounting
- extend worksurfaces over cabinets to maximize space efficiency
- configure cabinet interiors with shelves, drawers, and sliding fronts
- add adjacent wardrobes and files
- available in an array of top finishes and paint colors
