

BakerEdge

Product Description

BakerEdge easily and securely mounts to a hard-edged surface, adding a softening, waterfall effect that enhances ergonomic safety and user comfort. Manufactured from a durable yet pliable foam, it is available in either a straight or a curved model.

Features

- Works with virtually any existing worksurface.
- Easy to install.
- Available in matte black.
- 32" long, both curved and straight.
- Ships in cases of twelve.
