

Zydeco

Product Description

For call centers and other computer-intensive work groups where shift work or turnover requires tables that can be quickly and easily adjusted to fit new users, Zydeco's sturdy efficiency is a reliable choice. In addition, Zydeco provides a distinctive non-powered torsion option.

Features

Fixed, pin, top crank, seated range torsion, sit/stand torsion and electric mechanisms.

Seated or sit-to-stand adjustment ranges or fixed heights.

Corner and straight single and dual surfaces.
