

FreeStanding Screen

Product Description

The FreeStanding Screen is an easily moveable and reconfigurable space divider, with a trim design and low-profile, boomerang-shaped foot. Offered at 50" and 60" tall from the floor, it is available in widths in 6" increments from 30" to 60". The screens can be ordered with fabric inserts, acrylic, triple-wall polycarbonate, and white board, and in an array of paint colors.
