

M Collection

Product Description

M Collection is a streamlined, organic form that includes options for overhead storage, making it a natural choice for enclosed offices, open-plan settings, or healthcare applications. Coordinating colors, finishes, and detailing allow it to blend seamlessly with other products for a consistent look throughout a facility.

Features

Fixed, pin, top crank, seated range torsion, sit/stand torsion and electric mechanisms.
Surfaces in 16 shapes and many sizes.
Stanchions support overhead storage.
Training and learning tables.
Seated or sit-to-stand adjustment ranges or fixed height.
