

Animate

Product Description

Animate is the new standard in extended range sit-to-stand height adjustable tables. This line of tables can be used independently, in conjunction with other furniture products, or as the basic building block for an entire worksetting.

Features

- Fixed, pin, front crank, electric and extended electric mechanism.
- Full ANSI HFES adjustment range 22"-48".
- Fully independent legs, no cross links.
- Multiple leg positions.
- Nearly unlimited top-shape options, paint colors, and laminates.
- Independent legs easily used for retro-fit.
