## WHEN YOU NEED YOUR TABLES TO ADJUST AS RAPIDLY AS YOU DO.

Alteeza is a versatile and height-adjustable cafe-style table, ideal for a variety of applications. Choose from pneumatic or electric/battery operated single-column adjustability. The maximum top size is 42" for the pneumatic and 36" for the electric/battery. Alteeza is available in an array of distinctive shapes and materials. Choose from black, white, or metallic silver options for the plated foot and column.

Alteeza is available in virtually any laminate, complementing your worksettings or team/group spaces.

### AVAILABLE OPTIONS:

- Pneumatic Single-column - Adjustability range 27" to 48" - Maximum Top Size: 42"
- Electric/Lithium Battery Single-column - Adjustability range 22" to 48" - Maximum Top Size: 36"
