

# BAKEREDGE

*Softening hard worksurface edges*

Adds comfort and safety to virtually any worksurface. The softening effect of the waterfall edge increases the ergonomic quality of nearly any workstation.

## **STRAIGHT MOUNT**

- It mounts easily and securely to nearly any square-edged surface, reducing the negative ergonomic impact of hard edges.
- It is made from durable yet pliable self-skinning urethane foam; PVC Free.
- It is 32 inches long and is available in matte black.
- It meets ANSI/HFES 100-2007 requirements for wrist/palm, forearm support.

## **CURVED MOUNT**

- The curved version mounts easily to the inside radius of most square-edged curvilinear worksurfaces.
- It is made from durable yet pliable self-skinning urethane foam; PVC Free.
- It is 32 inches long and is available in matte black.
- It meets ANSI/HFES 100-2007 requirements for wrist/palm, forearm support.
