

MEDIASHARE

Collaborate. Connect. Co-create.

Now you can work together — from far and near — and benefit from a sit-to-stand worksetting. Only from JRB Studio.

JRBStudio

MEDIASHARE MAKES IT HAPPEN

Now you can bring the height adjustability options of Animate to a high-functioning media collaboration setting. Enjoy one touch, dual-controller height adjustability, in either standard or extended range, delivered by independent but fully synchronized legs.

The optional display stand is available in 3 sizes to accommodate displays from 30" to 50", and can be ordered with a rear concealing screen.

Select from optional grommet configurations that can be ordered to accommodate HDMI, VGA, USB, and CAT5 and CAT6.

Add an optional shroud to conceal the under-surface cables and digital interface technology.
