

MINI PED

Distinctive Storage That Fits

Mini Ped™ provides versatile storage in a compact footprint that even fits beneath sit-to-stand worksurfaces. Only from JRB Studio.

JRBStudio

A BAKER MANUFACTURING brand

COMPACT YET CAPABLE

Mini Ped is a unique component for today's space-challenged workspaces. It consumes minimal amounts of valuable knee-space beneath worksurfaces, and the low profile accommodates even extended range height-adjustability.

Yet Mini Ped provides versatile and highly functional storage. Choose from metallic silver, black or white.

MINI PED FEATURES INCLUDE

- a standard box/file configuration
- box drawer with utensil tray
- the box drawer has $\frac{3}{4}$ extension slides
- the file drawer has full extension slides
- the file drawer accepts letter or legal sizes
- the unit locking mechanism is included
