

WORK TOOLS

Making it easier than ever to be effective.

A collection of smart Work Tools from JRB Studio enhances any work setting. Whether mounted to a custom Tool Bar, or below the worksurface, these tools provide the perfect assortment of productivity accessories.

TOOL BAR AND WORK TOOLS

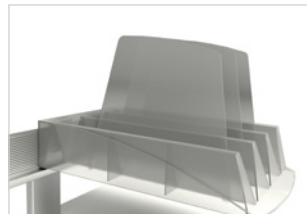

The innovative Tool Bar mounts either to an integrated Accessory Rail (ordered with your Animate+ worksurface) or directly to any worksurface. Order a Tool Bar and receive your choice of any 3 of the Work Tools that attach to that Tool Bar. Additional tools can be ordered in lots of six each.

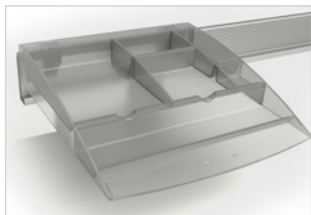

WORK TOOLS

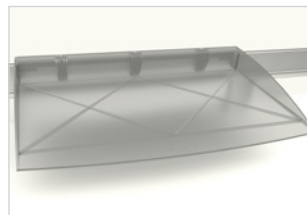

A cylinder Pencil Cup that attaches to the Tool Bar

A file and paper management tool that adjusts directionally

A Storage Tray with a variety of divided compartments

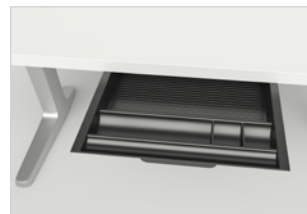

A versatile shelf for papers, files or other desk items

BELOW DESK TOOLS

A half-circle compartmented drawer, mounted below the worksurface, that swings out for easy access

A smaller-scale drawer that economizes the space beneath the worksurface
